All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

The accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on an historical cost basis have been used, with the exception of certain items for which specific accounting policies have been identified.

The Reserve Fund provides interest which the Trustees can decide to either contribute to projects within the Parish or retain within the Reserve Fund. Apart from extraordinary circumstances (as outlined in the Constitution), the Reserve Fund remains intact and only the interest can be used by the Trustees. Please see note 5 for information on an extraordinary circumstance that resulted in the use of Reserve Funds last year.

The balance of this Fund has been disclosed in the Equity section of the Statement of Financial Position.

## **INDEPENDENT AUDITOR'S REPORT**

### **To the Members of the Friends of Saint Mary of the Angels Charitable Trust**

We have audited:

- the financial statements of Friends of Saint Mary of the Angels Charitable Trust (the entity) which comprise the Statement of Financial Position as at 31 March 2019 and the Statement of Financial Performance and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information; and
- the non-financial performance information of the entity that comprises the Statement of Service Performance, and which includes outcomes.

### **Qualified Opinion in respect of the financial statements**

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects the financial position of the entity and its financial performance for the year then ended in accordance with Tier 3 Not for Profit Financial Reporting in New Zealand.

### **Opinion**

The non-financial performance of the entity complies with Tier 3 Not for Profit Financial Reporting in New Zealand; and fairly reflects the performance and outcomes for the year ended 31 March 2019.

### **Basis for Qualified Opinion**

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Entity in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

In common with other organisations of a similar nature, control over cash income from donations and fundraising activities prior to being recorded is limited, and there are no practical audit procedures to determine the effects of this limited control. There is no system of control over such cash income on which we could rely for the purpose of our audit and there are no satisfactory audit procedures that we could adopt to confirm independently that all cash income was properly recorded.

In this respect alone we have not obtained all the information and explanations that we have required.

Other than in our capacity as auditor we have no relationship with, or interests in, the Entity.

### **Responsibilities of Those Charged with Governance for the Financial Statements**

Those charged with governance are responsible on behalf of the Entity for the preparation and fair presentation of the financial statements in accordance with Tier 3 Not for Profit Financial Reporting in New Zealand and for such internal control as those charged with governance determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, those charged with governance are responsible on behalf of the Entity for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless those charged with governance either intend to liquidate the Entity or to cease operations, or have no realistic alternative but to do so.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at the XRB's website at [https://xrb.govt.nz/Site/Auditing\\_Assurance\\_Standards/Current\\_Standards/Description\\_Auditors\\_responsibilities.aspx](https://xrb.govt.nz/Site/Auditing_Assurance_Standards/Current_Standards/Description_Auditors_responsibilities.aspx).
