4 December 2016, 2nd Sunday of Advent Year A

Farewell - Jal Gayo

Today we farewell Anastasia Kim. Anastasia and her two young sons, Romano and Marcellino came to New Zealand primarily for the children's education. Anastasia joined the Korean community at St Mary of the Angels and was baptized, confirmed and received into full communion with the Catholic Church at Easter 2002. Her young sons were baptized at the same time.

During her time in New Zealand Anastasia has been a very loyal and committed member of the Parish. She attends the mid-day Mass on Sundays with other members of the Korean community and has been a very active member of the Korean community as a leader of one of the bible sharing groups. She has made a very significant contribution to our Parish over these past 14 years. We will greatly miss Anastasia as she returns to Korea.

We know she will come back because her sons, now educated and living independently will continue to live here. We look forward to seeing you often as she comes to visit them.

Thank you Anastasia for all you have done for the Parish. It is a reminder to us how blessed we are to have the Korean community and so many other cultures as part of our Parish community.

Seismic Strengthening Cook Book Fundraiser

Over the past year three of our parishioners have been compiling a cook book of favourite family recipes from within the parish. We are pleased to announce that the cook book - **Recipes for Restoration** - is back from the printers and ready to sell as a fundraiser for our seismic strengthening work.

Recipes for Restoration will be available at all Masses this week. The basic cost of the book is \$30. This price covers the cost of printing and makes a small contribution to the seismic strengthening fund. However, we invite you to pay what you can for the book with the assurance that all funds go toward the seismic strengthening.

This book is a 'must have' for every parishioner's kitchen, and a great gift for others for Christmas.

We need parishioners to help sell these books. Please consider taking some copies and asking your friends to buy them and that way you will be helping with the restoration of the Church.

Father Barry Scannell s.m. (Parish Priest)

Prayer for Seismic Strengthening Work

Gracious God, Creator of the Universe, you made us in your own image and likeness.

You gave us wisdom and understanding, grateful hearts and creative minds.

We pray that our beautiful Church will be strengthened against the peril of earthquake through the generosity of parishioners, the community of Wellington and people throughout New Zealand.

We ask, Lord, that you abundantly bless those who have already donated funds, skill and expertise to this project.

May St Mary of the Angels Church be a symbol of a unified community that will gather to praise and thank you.

Mary our Mother, pray for us.
