

3RD OCTOBER 2010 : 27TH SUNDAY IN ORDINARY TIME YEAR C

Parish Financial Report

The Report for the 2009/10 Financial Year is included as an insert in the Angelus today. I hope that it provides sufficient information on the financial operation of the Parish.

I wish to sincerely thank the members of the Finance Committee for their commitment to this important work. They have a wide variety of experience and skills which are so important in assisting me as Parish Priest in maintaining the Parish plant and in ensuring that we operate with wisdom and prudence in the area of finance.

If you have any questions please do not hesitate to ask a member of the Finance Committee.

Storm Damage

The 'weather bomb' which hit on Thursday resulted in two large slips behind the Church. The damage has been inspected by our insurance assessors and the fallen debris will be removed early in this coming week. However, some trees are perched dangerously close to the area of where the slip occurred and because of the danger of them falling the area is 'out of bounds' because of health and safety.

Please do not enter this area which is cordoned off by white safety tape.

Revised Roman Missal

The 'people's responses' to the Mass in the Revised Roman Missal will be introduced on the First Sunday of Advent this year. In the coming weeks we will be giving you some information in the Angelus about these changes.

Communio

The last Communio meeting for this year will be in the Crypt on **Sunday 17 October at 7.15pm**. The article to be discussed will be 'Christian Ethics and Christian Faith' by Khaled Ananias. The question is whether there is a real difference between Christian ethics and a certain common or universal standard of values. Contact Mary or Leo at leobuchanan@xtra.co.nz
